

# Approved Formulas List for California Women, Infants and Children (WIC) Program Families

## Substitutions for 12.9 oz Enfamil Prosobee Powder Formula

**Updated June 1, 2022** — WIC families unable to find their regular formula can temporarily mix and match newly approved formulas in the list below.

- Shop at WIC approved grocers. Find WIC grocers at [MyFamily.WIC.ca.gov](https://www.MyFamily.WIC.ca.gov).
- Try to find your regular formula first.
- Scan the product with [your California WIC App](#) to confirm it is approved before checking out at the register.
- You can buy more than one kind of formula if it is on the list.
- Larger containers will use more of your benefits because they make more formula.
